NUMBER 3

Harold Fleenor,
Business Manager.

Fleenor Takes Kernel Post

Harold Fleenor, journalism senior, named business manager of the Kernel by the Student Board of Publications for the current year, began work on the paper this week.

John Cooke, who has been acting business manager for the first two issues of the Kernel, is now working as assistant managing editor and advertising solicitor.

Fleenor, a navy veteran, worked last semester as an advertising solicitor on the Kernel. He is a member of Alpha Tau Omega social fraternity, Phi Eta Sigma, freshman men's honorary, Keys, sophomore men's leadership honorary, a first lieutenant in Scabbard and Blade, and a Henry Watterson Press Club pledge.

Air Reserve Sends Representative Here

A member of the 436th Troop Carrier Wing (Reserve) will be on the campus Wednesday, to give information on the new Air Reserve program.

Anyone interested should come to the Air ROTC between 9 a.m. and 4 p.m. Wednesday. No previous service is necessary and the program is also open to a limited number of former WACs and WAVES.

Barter Theater Opens With Comedy Hit

"You Can't Take It With You," the initial production of Barter Theater to be staged here this season, will be presented at the Henry Clay auditorium Oct. 20.

Dates Are Announced For Proficiency Examinations

Graduate students desiring to take reading examinations in romance languages on Oct. 15 must submit their name and field of research in writing to the department of romance languages by Wednesday.

The foreign language proficiency examinations, required for graduation for the majority of students in the College of Arts and Sciences, will be given on Oct. 13-14. Students wishing to take the examinations must sign up by Oct. 11, in room 128, McVey Hall.

Welcome Mat Out For Alums Arriving For Homecoming Tilt

Cat And Dog Fight To Draw Many Grads

By Bettye Mastin

Several thousand alumni are expected on campus this weekend to take part in the annual homecoming celebration and to witness the Kentucky-Georgia grid conflict.

The former students will be guests of honor of the Alumni Association at a tea-dance from 4 to 6 p.m. tomorrow in the Student Union building, according to Miss Helen King, executive secretary of the Association.

A floor show will be staged during the dance, the Alumni Association will entertain the group with a buffet supper, also in the Student Union building.

Houses To Decorate

Residence halls, sorority and fraternity houses, as well as local businesses, will be decorated for the celebration. Frank Mastro, member of the Homecoming committee of Suky, campus pep organization, said today.

Winner and runner-up trophies will be awarded by Suky to the best-decorated houses or halls as judged by a committee of townspeople. A student committee will select first and second place winners among the business houses.

Winners of the trophies, won last year by Kappa Sigma fraternity and Zeta Tau Alpha sorority, will be announced at half-time of the game.

Parade Set For Tonight

Souvenir ash trays decorated with pictures of the team will be sold by Suky members during the game.

Pre-game activities will include a torch parade, forming at 7:00 tonight at Alumni Gym and proceeding to the downtown hotel where the Georgia team is staying.

A pep rally on the Intramural Field behind the gym will follow the parade.

The Suky Homecoming committee includes Jim Mastro, chairman; Frank Mastro, Rachel Johnson, Lucia Bland, Elbert Harber, and Janice Stille.

Visiting Engineers Give Demonstration

Demonstrations of recent developments in concrete construction for students, architects, and engineers were made by B. R. Petrie and J. J. Farra, field engineers for the Portland Cement Association, at the University this week.

The selection of material, design of concrete mixes, proper placing and curing methods, construction of forms, placing of reinforcing steel, and all other operations essential to the building of concrete structures in the field were presented in the lectures and demonstrations of the school.

Tau Beta Pi Appoints Delegates To Meeting

Morris V. Johnson and Glenn Weatherspoon, students in the College of Engineering, will attend the annual convention of Tau Beta Pi, national engineering honorary fraternity.

The convention will be held at Purdue University on Oct. 13-15.

Basements and back yards have become popular meeting places this week as groups all over campus began work on Homecoming decorations. With beaver board and paint in hand, members of Alpha Delta Pi sorority above, make their plans. Around the table, they are: Gaylen Hansbrough, Tinky Cunningham, Joby Ridley, Ann Winfrey, Peggy Holmes, Dot Wathall, and Emma Barnes.

Members of the victorious Wildcat football team posed as they stepped off the plane returning from Mississippi. They were greeted by a wildly enthusiastic crowd estimated at 3000 headed by President Herman L. Donovan. Members of Suky led the group in cheers as the plane neared the field.

Library Exhibit Features The History Of Tobacco

By Clara Early

Whether you roll your own or puff a corn cob pipe you may be interested in the exhibit in the circulation room of the library concerning the progress of tobacco growing in the United States.

Main feature of the exhibit is "The Story of Tobacco in America," a book by Dr. Joseph Clark Robert, former visiting professor at UK, now Assistant Dean of the graduate school of Duke University. Dr. Robert reveals that he has a sense of humor by entitling the first chapter of his book, "That Bewitching Vegetable."

Other features of the display include minute books kept by early Kentucky tobacco companies, letters written by persons prominent in tobacco circles, and manuscript records of the proceedings at meetings of Kentucky tobacco growers protective associations in the 1700's. The latter records were purchased by the library after they had been discovered in a barn loft where they were discarded by night riders.

Mr. Robert used some of the exhibited records as source materials for his book.

The Margaret I. King library has the most complete set of books concerning tobacco extant. Perhaps some of you chain smokers will be interested in viewing this generous display concerning the history of the "filthy weed."

Filing For Degrees Set For Oct. 14, 15

All seniors who expect to complete their requirements for graduation at the close of the first or second semester or the summer term, are requested to make application for degrees on Friday and Saturday, October 14 and 15. This applies also to graduate students who expect to complete their requirements for graduate degrees.

All applications should be filed in room 16 of the Administration building.

Candidates for the bachelor's degree will be charged a graduation fee of \$9. This will cover the rental of cap and gown, diploma fee, the Kentuckian, and other necessary expenses.

Candidates for advanced degrees, other than the doctorate, will be charged a fee of \$20., which will cover the above with the exception of the Kentuckian, and in addition the cost of the hood to be presented to the candidate.

The doctorate fee is \$25. Graduation fees are payable not later than the fourth day preceding the commencement.

No retakes will be made.

Carnival Entry Deadline Set

All entries for the annual Lances' Carnival, to be held Oct. 21, must be returned to Walter Patrick, president, by Monday.

An explanation of the type of booth or show planned and the approximate number of feet in frontage and depth must be included in the entry. Each organization participating in the carnival must also have a sponsor.

Sponsor Pies Taken

A group picture of the sponsors will be taken in the SUB on Monday at 4:30 p.m.

The sponsor of the winning organization will be crowned queen of the Lances' dance in the ballroom of the SUB after the carnival.

Trophies To Be Given

Trophies will be presented the organizations placing first and second. Awards will also be given previous winners and runners-up for 1947-48.

Winning booths will be judged on the total amount of money turned in, the originality and quality of the entry, and the beauty of the sponsor.

All show talent must be furnished by University students.

42 Ag Awards Given Students

Forty-two scholarships have been awarded to students in the College of Agriculture and Home Economics after state-wide competition.

Dean L. J. Horlacher listed the following scholarship recipients:

Jesse Jones Award: Fred C. Davis, John W. Duncan, James B. Wilson, Gene D. Rawlings, Donald D. Evans, James R. Jones, Jack I. Gregory, Justin E. Pendley.

Kroger Award: Frank R. Guthrie, Fielding G. Williams, Fay A. Simpson, Elizabeth Baker.

Fire Underwriters Award: Elsie Isaacs, Pearl Hill, John Norwell, Mason County Farm Bureau Award: Margaret Myers.

Sears Award: Laurence De Mummbrum, Marlin W. Crowe, Gordon Ruppard, Kenneth D. Stahl, Warren K. Duliu, Edgar W. Knight, Jack Arthur, Claude E. Hensley, Larry De Jarnette, Arnim A. Parker Jr., William B. Wash, Tony B. Cocanougher, James P. Fehr, William Baumstark, George Burton, Robert Moyers, Glen McCauley.

Mills Award: William M. Hopper, Mary Gibbs Jones Award: Wilma F. Sumpter, Ann T. Florence, Marna D. Perry, Nancy J. Guiford, Geneva M. Gill, Dixie Peters, Thelma Ocker, Helen A. Rogers.

Dec. 1 — "Heat Producing Appliances" by W. M. Horn, chief engineer, Kentucky Inspection Bureau.

Dec. 8 — "Ventilating, Air Conditioning, Blower and Exhaust Systems" by J. L. Thompson, assistant manager, Kentucky Inspection Bureau.

Jan. 12 — "Hazards Incident to the Use of Electricity" by E. H. Tichenor, fire protection and electrical engineer, Kentucky Inspection Bureau, and Jan. 19 — "Static Electricity and Protection Against Lightning" by M. Tichenor.

Mills Award: William M. Hopper.

Mary Gibbs Jones Award: Wilma F. Sumpter, Ann T. Florence, Marna D. Perry, Nancy J. Guiford, Geneva M. Gill, Dixie Peters, Thelma Ocker, Helen A. Rogers.

Delta Delta Delta and Lambda Chi Alpha lead in the tag sale contest sponsored by Omicron Delta Kappa, national senior men's leadership honorary, Edward Breathitt, Jr., president, has announced.

Other sororities in the upper division are Zeta Tau Alpha, Kappa Kappa Gamma, and Alpha Gamma Delta.

Following the sales of Lambda Chi in the fraternity upper division are Sigma Alpha Epsilon, Phi Sigma Kappa, Delta Chi, Alpha Sigma Phi, and Kappa Alpha.

Three trophies will be awarded to winners in both the sorority and fraternity divisions. Arrangements are being made for the Independents and K-Club to compete in the schools also.

The contest is sponsored for the purpose of raising funds to support minor sport scholarships, a new program initiated by ODK. The recipient of the first award, Don Smith in golf, was introduced at the dance sponsored by the organization Friday.

Music Frats Honor New Students At Tea

Phi Beta and Phi Mu Alpha, honorary music fraternities, entertained new music students with a tea Sunday afternoon at the SUB from three until five.

Special music was provided by the University Madrigal singers, under the direction of Aimo Kivinen.

Initations were sent to students of music and dance and to music faculty members.

(Continued on Page 5)

Kyian Picture Appointment Must Be Before Monday

Junior and senior appointments for sittings for individual pictures to appear in the class section of the Kentuckian must be made before Monday in the Y-Lounge of the SUB according to Jeanne Wilson, business manager of the Kentuckian.

The doctorate fee is \$25.

Graduation fees are payable not later than the fourth day preceding the commencement.

No retakes will be made.

Tri Delt, Lambda Chi Lead In Tag Sales

Delta Delta Delta and Lambda Chi Alpha lead in the tag sale contest sponsored by Omicron Delta Kappa, national senior men's leadership honorary, Edward Breathitt, Jr., president, has announced.

Other sororities in the upper division are Zeta Tau Alpha, Kappa Kappa Gamma, and Alpha Gamma Delta.

Following the sales of Lambda Chi in the fraternity upper division are Sigma Alpha Epsilon, Phi Sigma Kappa, Delta Chi, Alpha Sigma Phi, and Kappa Alpha.

Three trophies will be awarded to winners in both the sorority and fraternity divisions. Arrangements are being made for the Independents and K-Club to compete in the schools also.

New Homecomin' Look

Thousands of alumni from all over the country will pour into Lexington tomorrow to see, for the first time in history, Kentucky's Wildcats favored over Georgia's Bulldogs in a Homecoming game. They'll meet old friends and take walks across a campus that may look quite different to them.

We believe they'll see ODK tags galore, plenty of freshman beanies, fine Homecoming decorations, a redomeled Suky leading cheers they can follow on mimeographed sheets, a snarling wildcat on a leash and a very sharp Best Band In Dixie.

We hope they'll see a student body that will cheer its team throughout the game, and celebrate just as heartily after the team wins. We hope that if the team loses, the same students will be able to say along with Coach Bryant: "It's still our team!"

A Change Of Scene

An excellent crowd met the triumphant Wildcats last Saturday night at Bluegrass Field. We only wish the team had arrived in time to see the thousands more who were there at 9 o'clock. It was heartening to see that many fans show so much interest in a team that certainly deserved all that and more.

There were a great many disadvantages, however. Nobody can be blamed for the late arrival, but it was a terrific drain on the spirit of those who stood for two hours, waiting. It was also the reason many more were not there to see the plane land.

But worse still, nobody but those on the front two rows in the crowd (and the two men standing on a statue) could see the cheerleaders or the team. The resulting cheers were often as flat as the area on which the cheerleaders stood. The new cheers and unfamiliar songs were completely out of place, also, but even on old reliable ones, the crowd could not be expected to follow the leaders well.

We suggest that in the future, when the team returns from a trip, the welcome be given in the gym or on Stoll Field. Such action would offer many advantages.

First, the crowd would probably be much larger—many people had no way to get to the airport. Second, the long wait, which might happen on any occasion, would be much easier sitting down. Everyone could see the cheerleaders, who could use their own public address system.

And in addition to these advantages, there would be no dangerous traffic jam at the airport.

We believe the team should be welcomed, win or lose; but it could be done just as well here on campus.

LETTERS to the Editor

Editor, The Kernel:

Wants Recognition At Game
As a former UK student who has spent back-breaking and nerve-racking hours on a Homecoming Display—and as winner for the last two years, I would like to call attention to the injustice shown to the contest winners and to the tireless committees who make it possible.

Homecoming represents one of the two largest and most competitive events on the UK campus. Many winning themes are conceived months in advance and no small amount of time, energy and ingenuity are spent in planning and construction.

Not only are the pre-arrangements worthy of comment but the actual labor and anxiety of Homecoming morning add the straws that break the camel's back. Every student who has ever been "in there pitching" on a display knows what it's like to get up at the crack of dawn, tear around like mad for hours while others leisurely dress in their Sunday bests, go to a Homecoming breakfast, drive through the streets to see the decorations and exuberantly stroll to the game in time to get a good seat.

Yes, Homecoming is a gala occasion for everybody but the tired, blue-jean clad committees who work 'til noon, jump into decent wearing apparel, fly over to Stoll Field in time to sit behind the goal line, and spend the next two or three hours trying to recuperate in order to enjoy the "parties" which they will attend as soon as the game is over.

But all this could be made worthwhile, if SUKY would arrange for the justified public proclamation of the winners! Personal satisfaction compensates for loss of sleep, time and energy. But what satisfaction is gained when the winners are announced to a handful of people at the SUB dance, twelve hours after the displays have been judged?

"So I sez, 'Who ever heard of a homecoming game at night?'"

Why can't the winners be announced to the thousands of spectators during the half at the game? Why can't the trophies be presented in the middle of the field. Can anyone question the added thrill and satisfaction the winning organizations, as a whole, would experience?

The Homecoming decorations are traditionally one of the outstanding features of the day. It is only right that they should be given a fair share of the lime-light!

Whether afternoon or evening let's have those trophies presented at the football game!!

Sincerely,
Marilyn Morris

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

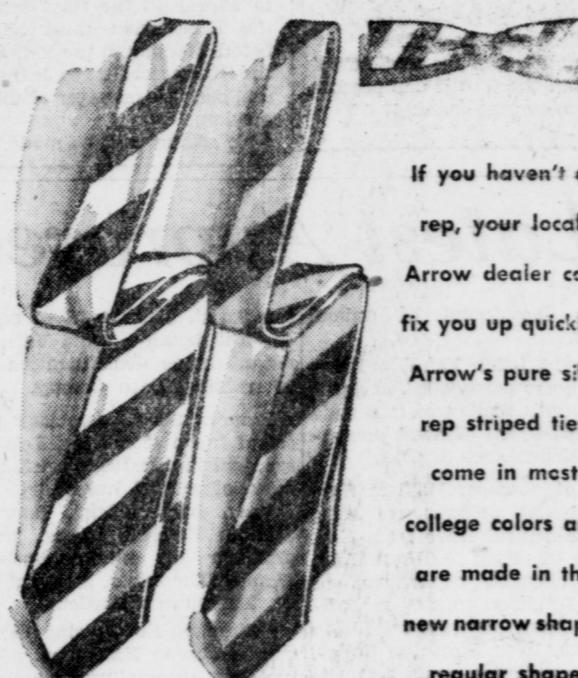

LOOK AT Sheedy all puffed up with pride. And to think that only last week he almost croaked when he found he couldn't pass the Finger-Nail Test. Then a friend put him wise to Wildroot Cream-Oil hair tonic. Now he's the big noise on the campus. Non-alcoholic Wildroot contains Lanolin, keeps hair neat and well-groomed all day long. Relieves annoying dryness, removes loose, ugly dandruff. So if you haven't switched to Wildroot, better hop to it right away. Get Wildroot Cream-Oil in bottles or tubes at your nearest drug or toilet goods counter. And don't forget to ask your barber for professional applications! (One at a time, of course!)

Gams' Spirits Bopping

Editor, The Kernel:
For two long years we have bemoaned the fact that the University offered neither jazz club benefits nor jazz concerts, so Friday's announcement of a possible answer to our pleas sent our spirits bopping.

It's time UK did what other campuses have been doing for so long. You can count on us for full support of a jazz concert program, and we'll be more than delighted to handle any of the many tasks required to put such a program in motion.

Very sincerely,
65 Alpha Gams

Editor, The Kernel:
Three cheers for the guys interested enough to give their time and talent to a jazz concert on campus! I, for one, would like to hear some live Dixieland.

Sincerely yours,
Emmett Rogers

The Spice Of Life

Homecoming! Homecoming! At last you're here!

Tis the best time of the whole fall year.

We'll laugh and dance, cheer at the game;

Show the alums the truth of our fame.

Our triumph and happiness will be won like a crown.

UK and the Wildcats will never go down!

Last weekend was a goodie; the Dome, "Basic Boogie," and the Kappa Sigma formal provided much fun times. Boiling Springs is the spot for a dance. Atmosphere all over the place.

Bill Simrall is the only campus clown who has actually seen an "Under Water Orangutan." Maybe that is what inspired him to polish his car for Nancy Lou Eden.

What cute little blonde kept Gardner Combs spellbound by feeding him popcorn at Joyland last Friday night?

Boyd Hall has a complaint. The fellers all stop by to say hello and then go to Pat for their dates! Just be patient. It takes 'em about a month to recuperate from the fresh invasion.

George Montgomery, Chenny Everett, Joe Newell, and Flebus Lebus took sail for Ole Miss after the Count Basie party and from all reports the trip was more than any boat ride!

Other tales from the Mississippi "merry-go-round" are being told by Lloyd Chilton, Harry Rouse, and Wynn Moseley. Tis said they tore up a Vandy pep rally on the way and showed the "rebel" signs the right way to go after game time.

SAE To Hold Dance For New Initiates

Sigma Alpha Epsilon will honor its new initiates tonight with a semi-formal dance at the Lexington Country Club, 8-12.

Honorees are George Cleveland, Harris Howard, Billy Lancaster, John Mercer, Mack Nall, and Skip Whitaker.

Chaperones will be Mr. and Mrs. W. E. Endicott, Mr. and Mrs. Bosworth Todd, and Mrs. Ballard Luxton.

Tinker Baggarly and his orchestra will play for the dance.

The fraternity will also entertain with an alumni banquet at 4:30 p.m. Saturday at the Lafayette Hotel.

Fall Semester Pledges

Three fraternities have announced new pledges for the fall semester. They are as follows:

Kappa Alpha: Jimmy Carsons, Cecil Holcomb, Zack Saufley, Roger Williams and Pat Riley.

Sigma Phi Epsilon: Billy Banasi, Jack Denny, Claude Hinton, Harold Hood, Carl MacMurray, Jim Marvin, Ray Ross and Ralph Snell.

Sigma Nu: Hugh Barber.

DTD Honors Pledges

Delta Tau Delta honored new sorority pledges with a buffet supper and open house last Wednesday night.

A representative group from each sorority was invited.

Lanky Don Blanchard, Ole Miss' extra point specialist, is a cousin of the Army's Doc Blanchard, All-America fullback. From Moss Point, Don is considered a fine offensive end.

your earliest inconvenience.

We feel as though about anything can go in the old joke column this week for who will read it anyhow? Everyone's mind is on more serious things at the present time—like Georgia for instance. But possibly some souls seeking some enlightenment (?) as to what is the latest (?) in the line of good (?) jokes (?) may bear with us, so here we go off on another spree and don't say we didn't warn you.

Did you hear the one about the two fraternity men—

Bill: What's the name of that book you're reading?

Joe: What 20 Million Women Want.

Bill: Let's see if they spelled my name right.

Office Manager: Pardon me, young lady, but in the matter of your dress, don't you think you could show a little more discretion?

Tripist: My gosh! Some of you guys are never satisfied.

Our poem of the week:
Despite all the rules
Of a body's creation
A tight sweater won't
Hurt a girl's circulation.

Prof. Joe: Do you still wake up with a grouch?

Prof. Blow: No, I got a divorce.

tion to my daughter. Is it all on the square?

Woody: Oh, no, sir. It's mostly right here on the porch.

Gregory Stevens full of gin, At 3 a.m. came stumbling in; His wife was large, poor Greg was small.

Greg's still plastered—on the wall!

Sign on a store: Don't go other places to be robbed. Come in here.

Dismal Coef: Oh, the monotony of this place! I fear that before the day is over it will drive me wild!

Richard: May I come around this evening?

Judge: (Rap, rap, rap): Order! Order!

Confused Freshman: Two beers!

Mary: I haven't slept at all the last four days.

Contrary: How do you manage to stand it?

Mary: I sleep nights.
(Yeh, that's what we think too.)

Portly Matron: So you heard my daughter talk. What do you think of her execution?

Disgusted Senior: I'm in favor of it.

George: I had a nightmare last night.

Red: Yeah, I saw you out with her.

And the old proverb:
"The better to keep silent and be thought a fool than to speak and remove all doubt."

Following that one, shall we close with just one more little attempt at humor—ah, ah. Perchance, don't use that naughty language.

Lawyer—to his Italian client: Did you present your bill to the defendant?

Client: I deed, sir.

Lawyer: And what did he say?

Client: He tol me to goa to da devil.

Lawyer: Then what did you do?

Client: I com to you.

Faculty Personals

Dean S. B. Holmes

Mrs. Sarah B. Holmes, dean of women, spoke to the Younger Women's Club of Jackson, and to the Homemakers Club of Bracken Braken County last week. Her topics were "Education in Family Living", and "Lighting the Way Through Education", respectively.

W. M. Carter

Prof. W. M. Carter of the College of Engineering attended the second Anti-Friction Bearing Symposium held in Canton, Ohio recently. The symposium was sponsored by the Timken Roller Bearing Company.

The meeting was attended by 62 professors, representing 60 of the major engineering schools of the U.S. and Canada.

WAA Opens Drive For Membership

The Women's Athletic Association for 1949-1950 has enlarged its scope to include all women's athletic activities on the University of Kentucky campus. The annual membership drive is now underway. Anyone who is interested in team sports, or such sports as swimming, bowling, and tennis, is encouraged and invited to join. Instruction is given in the team sports since the University of Kentucky's WAA plays other schools in hockey and basketball.

This year's membership is expected to greatly exceed that of any other year. Until this year the WAA has been a rather restricted organization made up of girls with practically professional aims in hockey, basketball, volleyball, and softball.

The WAA council has now taken over the management of the intramural tournaments between the girls' residence units, sororities, and

Scholarships Listed By Engineer Firm

The James F. Lincoln Arc Welding Foundation of Cleveland has announced its third annual competition for engineering undergraduate awards.

The awards and scholarships are valued at \$6750. Papers prepared by undergraduates on arc welded design, research, fabrication, or maintenance will be judged.

All resident engineering undergraduate students, including agricultural and architectural, registered in a school or college in the United States are eligible for competing for the awards.

Schools and colleges in which the three top awards are made to students will receive amounts of money equal to those awards to be used as scholarships.

Rules and conditions may be obtained by writing the James F. Lincoln Arc Welding Foundation, Cleveland, Ohio.

UK And Lexington Y Offer Swim Courses

Entering his third campaign as the Ole Miss football coach, John Vaught's the 26th Rebel grid tutor since 1893, the fifth since 1925.

NOW HEAR THIS

By T. J. Clark

No doubt most people are too busy sucking their teeth and wondering what the Wildcats are going to do to Georgia to pay much attention to my ramblings about ye old radio studios. But commitments are commitments, and deadlines are deadlines, so I write. (And having written, I shall not doubt move on, be weighed in the balance, and found wanting.)

Now understand that I don't want to put myself away with you as a radio drama critic, for the only qualification I have along that line is ears. But I can lay it on with a trowel when it comes to putting praise in the right place. According to listener reports, the Dudley Saunders-Gene Arkle chiller series, Tales of Edgar Allan Poe, is already a deadly success. Next up is Poe's "The Facts in the Case of M. Valdemar". (WBKY Thursday, 8:00 p.m.; WLAP Saturday, 6:15 p.m.)

The current master production out of the University of Kentucky Radio Service is the Kentucky Writers series by the Kentucky Radio Players. Last Sunday night's dramatization of Hollis Summer's "City Limit" turned out to be the biggest thing that hit our radio Lexington in many months. This week producer Lin Safford has scheduled "Taps for Private Tussie", a novel by Jesse Stuart, acclaimed dean of Kentucky writers. Starring in "Taps" are Mrs. Lois Robinson and Lewis Sawin. Dr. Herman E. Spivey will be guest speaker. (WBKY Tue., 8 p.m.; WKLYX Sun., 6:30 p.m.)

Old faithfuls at the radio studios are beginning to trickle back for the season. Dick Pigman, a balladeer with a perpetual folksong kick, took the air last night in the opener for the fall. Strictly homespun and very listenable, I'd suggest you add his show to your Thursday evening schedule. (WLEX-WBKY, Thu., 8:45 p.m.)

In the Shows-to-Watch Department we add the new "Gershwin Song of America", which features Reynolds Large as George Gershwin and Bill Gordon as Ira. Music is furnished by the WBKY staff orchestra under Jack Feierabend. (WBKY-WKLYX Mon., 8:30 p.m.)

Also in the STW Department, you might check on the revival of the Airline Theatre, now expanded to a full half hour of dramatic action. Right now the info on this show is shrouded behind turmoil and red tape (a common radio ailment), but any bookmaker will spot you five to one that the end result will be good. (WBKY-WKLYX Tuesday, 8:15 p.m.)

If you happen to go for jazz and the like by the wheelbarrowful, there's a chap by the name of Keller Dunn who has begged, borrowed, or stolen unbound quantities of the

Campus Social Group Meets This Afternoon**Cats Meet Bulldogs**

(Continued from Page 1)

Center Joe Jackura are earning their fourth letters; LT Nick Feher is after his third; LG Henry Love and RT Dick Yelvington are playing their second years. They average 199 pounds and growl like Bulldogs.

Georgia's speedy backfield is led by 60-minute man, Halfback Eli Maricich. Playing his fourth and last year, Maricich tied up the North Carolina game last week with zig-zagging 88 yard punt return to pay dirt. He's smart and quick, has a knack for spotting plays while on defense.

The committee is composed of Mr. Bart Peak, YMCA executive secretary; Mrs. Margaret Durman, YWCA executive secretary; Miss Mackie Rasdall, director of the Student Union; Miss Margaret Storey, director of Women's Residence Hall; Miss Margaret Bruce Cruise, social director; Dr. Don Seaton, faculty; Dr. Jonah Skiles, faculty; Dr. H. A. Romanowicz, faculty; Dick Crafton, SUB; Ann Macklin, Pathetic Council; Fred Nichols, Interfraternity Council; Bob Wharton, SGA; Betty Struck, YWCA; Lee Miles, YMCA; Barbara Kirwan, Women's House Presidents Council; Gene Stevens, Suky; Elliott Jones, president of the Veterans Club; and the president of the Independents.

Mrs. Sarah B. Holmes is chairman of the committee.

Charles Elected Head Of Phi Alpha Delta

George Fredrick Charles has been elected justice of the local chapter of Phi Alpha Delta, national legal fraternity.

Other officers are Bruce Stephens, vice justice; Robert G. Lentz, clerk; John W. Sublett, treasurer; and William Parham, marshal.

Guest speaker for a Phi Alpha Delta luncheon in room 205 of the SUB Tuesday will be Dr. Harry Best professor of criminology in the sociology department. Dr. Best will speak on the relation of criminology to law.

Sororities To Present Pledges Next Month

Presentation of all sorority pledges will be held November 17. A second bid day will be conducted at the end of open rushing. Girls who did not pledge in formal rush week are eligible.

stuff. On records, of course, and for the most part they're collector's items, dust and all. Try Jazz Classics at 7:30 tonight.

I write any more this week, it'll be found on the copy room floor this morning, so I'll come to a screeching halt. See you at the game.

Engineering Council Gives Annual Award

William David Barkau, Covington, received the annual slide rule award of Tau Beta Pi, national engineering honorary fraternity, at the Engineering Student Council Assembly.

The award, presented by Prof. John S. Horine, of the mechanical engineering department, is given annually to the outstanding freshman of the previous year.

Entertainment for the assembly was provided by a quartet and trio of the Lafayette High School department of music.

Faculty And Staff Assembly To Meet

A meeting of the University Assembly will be held on Monday at 4 p.m. in Memorial Hall.

All members of the staff are required to be present and all offices will close so secretaries and stenographers may be present.

Following the Assembly, the University faculty will remain for a meeting.

African Educators Visit Campus

A delegation of African educators were on the campus Monday for an inspection tour of the University and other Central Kentucky educational institutions.

Dr. Maurice F. Seay, dean of the University, and Chester C. Travelstead, research assistant, met and escorted the visitors to the University.

Rooms Open
Due to cancellations, several rooms in the Veterans' Barracks are available. Men who are interested should call at the Dean of Men's office immediately.

Tips on Togs

By LINK

SLIPPON — Slip into this SLIPPON sport shirt by MARLBORO and you have slipped into the height of casual wear. You will have a difficult time deciding between the corduroy or gabardine . . . both have the knitted bottom with long sleeves; in other words, you are right in style if your slippion is showing!

NEW SHAPE — A new shape in suits is here (just when I am getting used to my old one—and getting it paid for). The new shape in suits has NO tug at your manly (if you don't have 'em well pad 'em) shoulders. NO taper at the waist and NO tightness at the hips. Try one on and "the mirror on the wall" will show you the difference—the price is NEW too and fits as good as the suit!

MY OPINION — Saw William (Bill) Gordon of Delta Chi Fraternity Sunday night, and in my opinion he was very, very neatly dressed. He sported a three button piped pocket, single breasted navy blue winterized suit. I also noticed his coat was of a nice long length. (Tip! Don't be afraid of long coats.) He complimented this dark hued garment with a white shirt, roll, button down collar, crowned by a tie of navy blue background with red and pale blue squares, cuff links of mother of pearl trimmed with silver . . . dark grey socks, and black suede shoes — Very neat Mr. Gordon, very neat!

THE DU PONT DIGEST

FOR STUDENTS OF SCIENCE AND ENGINEERING

Research across the U.S.A.

YOUNG SCIENTISTS ARE BUILDING CAREERS WITH DU PONT FROM CONNECTICUT TO TEXAS

When you think of Du Pont research, you may think first of Wilmington, Delaware. Actually, only eight of the Company's 36 research groups are located there. Du Pont scientists now pursue their studies in 11 states scattered from Connecticut to Texas.

Each of these laboratories is a self-contained operation. It may be devoted in part to fundamental research and applied research, or to investigations looking to the development of new products—sometimes a combination of these activities.

An unusual Du Pont laboratory is one opened last year at Newburgh, New York.

Inside the Laboratory

In the three-story building at Newburgh, scientists have at their disposal the most modern equipment for study of coated fabrics and plastic sheetings under all sorts of conditions. For example, a new product can be tested in a room maintained

H. A. Van Etten, B. S. Ch., Colgate '42, and E. K. Grise, M. S. Ch., Worcester Polytechnic Institute '48, investigating the properties of vinyl compounds used in plastic-coated fabrics.

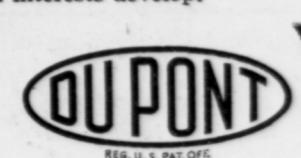

K. F. Richards, B. S. Ch., Cornell '48, and E. K. Holden, M. S. Ch., Delaware '48, studying "Teflon" tetrafluoroethylene resin insulating material with special apparatus at the Newburgh Laboratory.

Choice of Careers

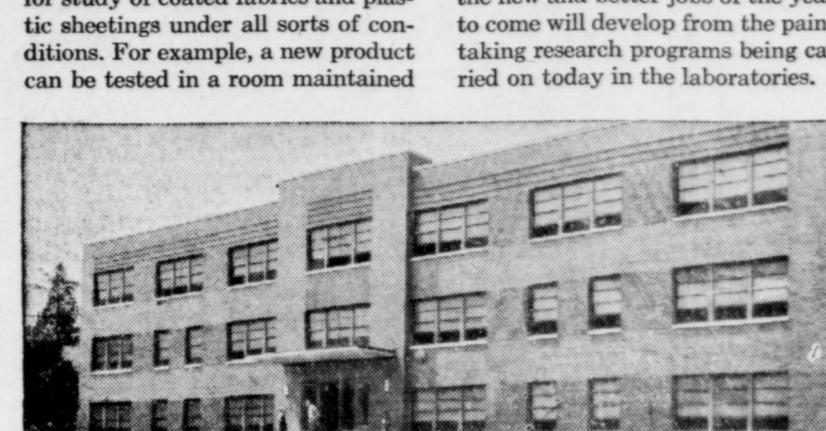

Each of the Du Pont manufacturing departments conducts continuous research. They operate much like separate companies, with interests ranging from heavy chemicals to plastics and textile fibers. Each holds challenging opportunities for college-trained chemists and physicists, as well as chemical, civil, electrical, industrial and mechanical engineers, also those specializing in production, sales and many other fields.

In this alert, ever-growing organization, young graduates can choose from a variety of careers the one that suits them best as their ability and interests develop.

BETTER THINGS FOR BETTER LIVING . . . THROUGH CHEMISTRY

Entertaining, informative—Listen to "Cavalcade of America" Tuesday Nights, NBC Coast to Coast

Newest Du Pont laboratory, at Newburgh, N.Y., was opened last year. It is devoted to research and development work in the field of coated and impregnated fabrics and allied products.

Frosh Eleven To Meet Tennessee At Kingsport

Coch Joe Atkinson's Freshmen Kittens open their 1949 three-game football season tomorrow afternoon when they go against the University of Tennessee Frosh at Kingsport, Tenn.

The Kittens go into their first game handicapped by short practice sessions and numerous injuries, but several players have emerged as standouts.

"I don't know how good the Tennessee frosh are," said Coach Atkinson, "but I do know this team has shown a lot of scrap and will give a good account of themselves."

Starting at ends tomorrow will be Bob Fry and Jack Hollis. Fry is a 6' 3", 190-pound Cincinnati boy, while Hollis tips the scales at 200 pounds and 6' 2" tall. He is from Aurora, Ill. Both are excellent pass receivers.

Smith and Weber at Tackle
The tackles will be Calvin Smith from Barbourville, Ky., and Carl Weber from Ambridge, Pa. Smith weighs 215, and Weber is a 195 pounder. Both are rugged on defense as well as offense.

At guards will be a Kentucky and an Indiana boy—William Johnson from Louisville, and Eugene Donaldson, who hails from East Chicago. Donaldson was captain of the Frosh in their game with the Rebels last week. Both are very fast and adept at pulling out of the line to lead the interference. Johnson weighs 185; Donaldson 205.

The Kitten's center will be R. B. Dodge, a Blytheville, Ark., lad who has 220 pounds draped over a 6' 3" frame. Dodge has been performing well at the pivot post and will be an important factor in the game tomorrow against the Baby Vols.

In the backfield will be Bill Daniels and Harry Jones at the half-back posts, Jim Farley at fullback, and Bill Farley will direct the team from the quarterback slot.

Daniels, the 152-pound speedster from Paragould, Ark., has been hampered by a bad ankle, but should be ready to go tomorrow. Harry Jones, who looked good on

BOB WALSTON, is a six-foot, 185-pound end from Columbus, Ohio. He led the SEC last year in pass receptions with 25 snags, for 525 yards and four touchdowns. He is a 20-year old junior. Walston, in high school, played football, basketball, and baseball and was a member of the swimming and track teams in his spare time.

Herald-Tribune Gives Forum Tickets To UK

The University has been allotted two student tickets and one faculty member ticket for the New York Herald Tribune Forum to be held at the Waldorf-Astoria Hotel in New York City, on Oct. 24-25.

Anyone interested in going to the Forum should call at the Dean of Women's office as soon as possible.

The Forum began in 1930 when a group of community organizations, asking program guidance, came to the editors of the Herald Tribune. Annually, representatives from all over the United States gather in New York to discuss world affairs and problems. Information concerning programs and leadership is also given.

Block And Bridle Plans Fall Festival

Plans for the Block and Bridle annual fall festival, of which the main feature is the awarding of various scholarships, were begun at a recent meeting of the club.

Another feature of the Block and Bridle fall program will be the showing of stock in a national contest to be held in Chicago. The date of the contest will be announced later.

A barbecue sponsored by the organization will be held Thursday, Prof. W. P. Garrigue, advisor for the group, announced.

Glikstein Elected Tau Kappa President

Arthur Glikstein was recently elected president of Tau Kappa. Other officers are Paul Wright, vice president; and Ben Cohn, secretary-treasurer.

Cats Make Big Mess Out Of Ole Miss

Kentucky's up-and-coming Wildcats spoiled the Ole Miss Rebels' homecoming last Saturday with a smashing 47-0 upset victory.

The Cats, who will do most of the kicking, hails from Danville, Ky., the home of Dopey Phelps. He is a 190-pound line-buster.

Bill Farley at QB

Bill Farley, no relation to Jim, will handle the all-important quarterback position. He is an accomplished passer and a competent ball handler. Bill calls Charleston, W. Va. home. He is 5' 11" tall and weighs 172 pounds.

Also slated for duty in the backfield tomorrow are Tommy Fillion, who has shown promise as a runner; John Brainard, who was the star for the Rebels in that game last week; and Allen Buckner, who will be used as the defensive fullback.

The squad leaves for Kingsport at 8 p.m. today. Game time tomorrow is 2 o'clock.—By Bob Gorham.

ATHLETIC EQUI

Player Of Week

BABE PARILLI

The Kentucky Wildcats' magnificent win over the Ole Miss eleven last Saturday was definitely a team victory. Practically every member of the UK team who saw action turned in a fine performance.

As a result The Kernel has selected as The Player of the Week, Babe Parilli, because he was one of the outstanding players not only against the Rebels, but also in the LSU and the Mississippi Southern contests.

In the Ole Miss tilt, Parilli completed six passes in 11 attempts. For the season, the lad from Rochester, Penn., now has a record of 25 completions in 43 tosses. Of these aerials, only one has been intercepted.

Although UK's quarterback of last season, George Blanda, is rated as a better kicker than Parilli, Babe is more dangerous threat to the opposition because of his ability to carry the ball if necessary. He is a better than average runner, which combined with his outstanding passing talents, make him a big headache to the opposing defense.

This is only Babe's second season at handling the T-formation quarterback duties. He acquired valuable experience last fall with the freshmen eleven.

In high school, Parilli played both fullback and quarterback. "We used mostly the single wing system, with just a few T-formation plays."

"Did you ever play against Bob Beuk (the Cats' reserve quarterback) in high school?" we asked?

"Yes, one of the most exciting games I ever played was against Bob. He was captain and quarterback for Ambridge High (Pa.) and I was named as game captain for Rochester High. About 21,000 people turned

out for this game, which we won 21-19 in the last few minutes of play."

One of Babe's high school teammates was Skip Doyle, who is now a sophomore at Ohio State. Some claim that Doyle is potentially a greater player than Parilli, which of course remains to be seen.

After graduation, Babe received quite a few offers from various colleges, including North Carolina, Ohio State, Indiana, Penn State and Pitt.

Almost Decided on Indiana

"I didn't care too much for Ohio State," said the dark-haired 20-year-old Pennsylvanian. "But I almost went to Indiana. Two of the boys from my high school team went there." Pointing to last Sunday sports page showing the score "Ohio State 46, Indiana", Babe smiled slowly and added, "I'm glad I did come down here now." And we might add that UK's 7600 students are more than glad that the well-proportioned Italian decided on Kentucky.

Sportswriters and radiomen covering the Wildcats this fall have all been impressed with Parilli, not only by his great natural ability and coolness under fire, but also for his modesty and sincerity off the gridiron.

The Kentucky football future looks bright with Babe Parilli and 26 other promising sophomores on the squad, all anxious to help the Wildcats move up in the 12-team Southeastern Conference standings.

—By Tom Diskin

Johnny Owens, Varsity Cagers Start Practice

By Bob Gorham

Johnny Owens, captain of the UK golf team, and Frank Stranahan, former British and Canadian amateur king, defeated Cary Middlecoff, the National Open champ, and Jim Coleman, former Ole Miss titleholder, 1 up, in an exhibition golf match last Saturday at Oxford, Miss.

Played as part of the Ole Miss homecoming festivities, the match was a forecast of what was to happen in the afternoon when the Wildcats stomped the Ole Miss footballers, to ruin the whole day for the Rebels.

Owens, who had trouble with his wood shots all morning, nevertheless turned in a respectable 36, par for the course, by making some beautiful recovery shots out of the rough. Stranahan was low man with a five-under-par 31; Middlecoff had a 33, and Coleman a 34.

After halving the first hole, Owens and Stranahan went 1 up on No. 2, when Stranahan dropped a 35-foot, downhill putt for a birdie 3. Coleman evened things on the next hole when his pitch from about 15 feet off the green dropped in for a birdie 2.

They halved No. 5, but Owens had his best hole of the round on No. 6. After a long drive, his second shot landed just six feet from the pin, and Johnny dropped his putt for an eagle 3 on the 450-yard, par 5 hole.

Middlecoff and Coleman took the next hole to flat the match again, and the eighth hole was halved. But on the last hole, Stranahan uncorked a 225-yard drive, and his approach left him a one-foot putt for his fifth birdie and the match.

The cards:

Par	4 4 3 5 5 4 4 3 4—36
Coleman	5 5 2 5 4 3 3 3 4—34
Middlecoff	4 4 3 4 4 3 3 3 4—33
Owens	5 4 3 5 3 5 4 3 4—36
Stranahan	4 3 3 4 4 4 3 3 3—31

BABE PARILLI, Kentucky's quarterback, is expected to do much passing tomorrow night when the Cats tangle with the Red and Black of Georgia. The lad from Rochester, Penn., is considered one of the best sophomore T-formation quarterbacks in the nation.

Walton Gets Award

Warren Walton, president of Pi Tau Sigma, honorary engineering fraternity, received the \$250 engineering scholarship award of the Ashland Oil and Refining Company. Walton is a senior in the department of mechanical engineering.

probably be moved back out on the front line again this year.

Jim Line, whose strong left arm dangled uselessly from the bench most of last season, wound up tournament play one of the most valuable members on the squad. He scored when no one else could, almost single-armedly keeping Kentucky in the NCAA. He's a calm, cool, clutch player, who, if he improves on defense, will be a likely All-American candidate.

Walt Hirsch, 6' 4" junior, started several games last year and distinguished himself as a ball handler. He operates around the pivot as well as in the forward slot, and will probably be switched to center when Grits Spivey tires. Roger Day, who hit 53 percent of his shots from the field last year in somewhat limited play, is back and hitting the hoop from far out as usual.

Up from the undefeated freshman team and looking for a starting berth is seven-foot Spivey. A host of candidates are eyeing the wide open guard position, among them Barney started most of last season at the guard position along with Ralph Beard, before switching places with Cliff Barker and moving into the forward slot. He'll

UK Judging Team Places Tenth At Iowa

Led by Thomas H. Porter, who tied for second place in the judging of Brown Swiss and Ayrshire dairy cattle, the University of Kentucky's dairy judging team placed tenth in a field of 30 contestants at a recent meeting at Waterloo, Iowa. The announcement was made by Dr. Dwight M. Seath, faculty adviser for the group.

The team, consisting of Porter, Edgar A. McDavitt, Carl Hamilton and Ryburn Weakley, placed fourth on Brown Swiss and fifth on Ayrshires.

Excellence WITHOUT Extravagance

DisKintucky

Sports Review

—By Tom Diskin, Sports Editor —

Congratulations to Coach Bear Bryant and his Wildcats for their terrific victory over a good Ole Miss football team Saturday. It was undoubtedly the greatest win for a Kentucky eleven in recent years, if not since the inception of sports here in 1881.

For the Mississippi Rebels, the 47-0 defeat was the worst they have suffered on their campus in 56 years of football competition.

One point has been somewhat overlooked, we believe. That is the tremendous scouting jobs that Coach Bryant's assistants have been doing this season. LSU was stopped cold, getting inside the UK five-yard line just once. Ole Miss never got farther than the eight-yard stripe of the Wildcats.

One Rebel player said after the game that "Kentucky always seemed to know what we were going to run."

As a result of Kentucky's win over Mississippi, Coach Bryant was named as the Southeastern Conference's "Coach of the Week." Of the 26 votes cast by sportswriters in the South, the UK head mentor received 19. LSU's Gus Tinsley got six votes; while Vandy's Bill Edwards received one.

Tomorrow night's game with Georgia will be one of the most important ever played on Stoll Field. A win for the amazing Wildcats will very probably move them into the upper 10 teams in the nation. Going into the Bulldog tilt, the Lexington Lynxmen are now ranked as the No. 14 team in the country.

Georgia should not be underestimated. According to the Kentucky scouts, Weepin' Wally Butts' bruisers are stronger than last season, when they clapped the Cats at Athens, 35-12. Our scouts believe that Georgia's most dangerous runners are Breezy Reid, who was out of the Carolina game last week with an injury; speedy Eli Maricich, a breakaway runner; Halfback Billy Mixon; and Fullbacks John Tillitski and Al Bodine, both of whom played prominent parts in last year's win over the Cats.

A Kentucky win over the tough Bulldogs would be one of the sweetest homecoming victories in the 68-year-old history of UK football.

Charlie Bradshaw will definitely be missed this season on offense. Coach Bryant wasn't just saying words when he said Charlie "was a

great competitor, a good leader and a very fine player."

Charlie seemed to improve with each game. Against the Rebels last week, the Montgomery, Ala., lad made one of the finest catches of the season on a Farilli pass. Bradshaw snagged the aerial while falling to his knees and with an Ole Miss defensive back practically hanging on his neck. Charlie was the leading pass receiver this season with seven, good for 75 yards.

We couldn't help but notice the wonderful school spirit down at Ole Miss last week. Despite the fact that their team was losing by several touchdowns, the Mississippi students never gave up. They encouraged the Rebel team with cheers throughout the entire game. All the blue-capped freshmen sat in a group and yelled for their grididers from the opening kickoff until the final whistle.

We sincerely hope that the students here will be just as enthusiastic for the big homecoming weekend and turn out in full force for the big SuKy pep rally planned for this evening. Let's back our team, SuKy and the newly-formed Spirit, Inc., one hundred percent.

The biggest threat to a very successful season for the Kentucky Wildcat football team right now is overconfidence. All this week we have been hearing about how the Cats are going to take Georgia. Although we are favored to win by one touchdown, a wet, slow gridiron will definitely help the big Bulldog line.

Coach Wally Butts always comes up with a fine team. The Georgia eleven is nationally known for the excellent condition they maintain. MANY times in the past seasons they have worn down rivals by sheer power and then won the game in

CATS NO. 15

The Associated Press' national poll of the top collegiate football teams saw Kentucky ranked No. 15. Here is the first fifteen selected, and the number of votes received.

1. Michigan	688
2. Notre Dame	627
3. Oklahoma	505
4. Tulane	442
5. Minnesota	353
6. North Carolina	294

Bradshaw Out; SEC Says End Is Ineligible

Senior End Charles Bradshaw was ruled ineligible for further varsity play last Tuesday by Commissioner Bernie Moore of the Southeastern Conference nullifying his attempt to complete his fourth year of competition with the Wildcats.

Bradshaw's status hinged on the interpretation of a wartime ruling. The rule states that a player enrolled prior to July 1, 1947, may play

four years of football provided one of these varsity years is played while a freshman scholastically or if the player participates in one year of freshman and three years of varsity football.

Bradshaw entered school in 1942, stayed one semester and enlisted in the Marines. He did not play foot-

ball that year. In 1946, he returned to UK and played three seasons. Charlie, a converted center, has played offensive right end in the Cats' first three games.
